Come to ShowEast for this and other holiday-release screenings, educational seminars, product reels, trade show and more.

ShowEast 2008 Presents **Zack and Miri make a porno**

ShowEast 2008 is pleased to announce the screening of The Weinstein Company's *Zack and Miri Make a Porno* on Tuesday, October 14 at 10:00pm.

Zack and Miri marks Kevin Smith's return to an envelope-pushing, eye-popping comedic look at how far two friends will go to survive their cash flow problems. Lifelong friends and roommates, *Zack and Miri* are facing hard times and a mountain of debt. When the electricity and plumbing get cut off, they seize upon the idea of making a homegrown porno movie for some quick cash. The two vow that having sex will not ruin their friendship, but what starts out as a business proposition between friends turns into something much more.

Seth Rogen (Zack) is today's hottest new comedic actor/writer. *Zack and Miri Make a Porno* follows the the wild success of "Pineapple Express" and the blockbuster hits, "Knocked Up" and "Superbad". Rogen continues to illustrate his genius of bringing taboo sex themes to the surface in his movies in a way that will have audiences laughing out loud.

Elizabeth Banks (Miri) easily moves between comedy and drama with credits that include "40 Year Old Virgin" and all three Spiderman films. In *Zack and Miri* she reveals an "anything goes" attitude that masks her growing affection for the man who has been her best friend since childhood.

Zack and Miri Make a Porno showcases a wild supporting cast that includes Craig Robinson (Darryl Philbin of "The Office"), Brandon Routh ("Superman"), Justin Long ("Live Free or Die Hard"), real-life adult film actresses Traci Lords and Katie Morgan and Jason Mewes (frequent star in Kevin Smith's films).

Zack and Miri Make a Porno opens wide October 31st, 2008. Rated R.
